COURAGE TO DO RIGHT.

We may have courage, all of us, To start at honor's call. To meet a foe, protect a friend, Or face a cannon ball. Pr. J. WAY,
Physician and Surgeon,
ELM COVE, Washington Tp, Monroe .To show the world one hero lives.

The foremost in the fight; But do we always manifest The courage to do right?

To answer No! with steady breath. And quick, unfaltering tongue; When fieres temptation, ever near, Her syren song has sung.

To care not for the bantering tone. The jest or studied slight; Content if we can only have The courage to do right!

To step aside from fashion's course. Or custom's favored plan; To pluck an outcast from the street, Or help a fellow man. If not, then let us nobly try,

Henceforth, with all our might, In every case to muster up The courage to do right.
